COMMERCIAL INTELLIGENCE.

Hongkong, Wednesday Evening. As the day approaches for settling the time hargains in Opium, the market for this commodity assumes a feverish and unsatisfactory aspect, and prices fluctuate through a very wide range. Gwing to the absence of any Chinese demand the market opened dull this morning at TITHE PARTNERSHIP hitherto existing bet \$680 for New Patna, and at this price a few chests were sold, but later in the day the "Bulls". succeeded in clearing a lot of 150 chests new Fatna and thereby forcing rates up to \$695. The market however again assumed a downward of the partners, who will beneeforth sign the tendency and the closing rates show a material deoline. Quotations are New Patna \$690, old 8630. Heneres 8620. Third sales new Patns is freely offered at 3035, Malwa is dull and quite nominal at \$780. The movement in Imports continues with scarcely any change. Purchasers uniter the influence of the rigid consumptive demand that at present exists are taking goods to established the seeling as Merchants and Comat prices that must bear with them a heavy loss to the importer. This is the result to a great extent of the anxiety of some holders to meet the market and dispose of their goods with a view to the heavy shipments that are now coming for-ward and that must by their arrival and with the present atate of affairs force prices down far below what they are at present. The question solved by the importor seems to have been. HAZEON in our Firm ORASED offslat is it not the best pothey to sell now and make a December, 1966.
